

Wholesale Ordering Terms

- All wholesale lots and orders are hand made, to order. Minimum wholesale order is for \$250 worth of product (\$500 retail value). Orders for less than \$250 worth of product will be billed at the full retail price.
- All wholesale orders require a 50% deposit. We must receive your deposit before we will begin working on your order. All deposits are non-refundable.
- Delivery time depends on the total quantity of product you ordered. Typical estimated production time for wholesale lots is 4-6 weeks from the date we receive your deposit. Larger quantities will require longer production time.
- Unless otherwise indicated, there is a minimum order of 10 pieces of each style/design. "Assorted" lots may include one-of-a-kind designs, and may or may not repeat styles/designs across the lot.
- Wholesale lots do not include velvet pouches, gift boxes, or other packaging. Packaging is available for an additional cost. If you would like packaging along with your order, please contact us for a price quote.
- When your order is ready to ship, we will contact you with shipping costs and the full balance due on your order. You will be charged the actual cost of shipping and packaging for your order.
- We must charge any applicable sales tax, unless we have the appropriate paperwork on file to exempt you from paying sales tax.
- Artistcrafts accepts checks, money orders, western union, and online payments. We only accept credit cards through paypal currently.
